Aids awareness workshop held

MURREE, Feb 22: A mass awareness workshop on HIV/Aids and TB was organized by the European Union (EU) in collaboration with the Pakistan National Aids Consortium here on Thursday.

EU's Alzbith Laker was chief guest on the occasion.

Speakers, including Raja Khalid Mehmood, Dr Arif Anwar, Dr Sabira Tehsin, Aftab Ahemad Awan, Dr Rakhshinda Parveen and Dr Saleem stressed on mass mobilisation to control spread of the fatal diseases.

They said that HIV/AIDS and TB had become a common problem for the whole world including Pakistan. The government, civil society and donors should joined hands against these diseases, they added.—Our Correspondent
